Key benefits of using our service:

- Our approach offers you the very best in new technology and **personal service**, taking the pressure off you when it counts.
- Whatever your question or query, your own **dedicated conveyancer** and their team will be on hand to answer it as quickly as possible – keeping you in control and your transaction moving forwards.
- **We work into the night (and at weekends*)**; because your home move doesn't stop, neither do we. We're open from 8am to 8pm Monday to Thursday, with a 7pm close on Fridays.
- **Over 300 trained legal professionals** work for us - meaning their collective knowledge of New Build, Help to Buy, Remortgage, Shared Ownership, Buy to Let, freehold and leasehold transactions is at your disposal.

- Our **award-winning reputation** speaks for itself – including accolades for training and development, customer experience and legal expertise.
- We provide **fixed fee quotes*** to give you peace of mind. And if your move was to fall through, through no fault of your own, we won't charge you a penny in legal fees.
- You can choose either an **eWay** account (our online case-management system), through which you can **manage your home move online** 24/7, or a paper file set up in your name – whichever you prefer.

What can eWay do for you?

Our revolutionary eWay service puts you in control, providing you with online access and visibility of your documentation whenever you want, from wherever you are, ensuring that you are always kept up-to-date.
